

NEVER FORGET

Dear Veterans,

Thank you for keeping peace and freedom in the world. Thank you for fighting in wars and keeping our country safe. I'm sure fighting in war is hard. It must be scary to fight in wars carrying heavy guns and tanks.

On Thursday, November 7th we had a Remembrance Day Assembly at our school. For the Remembrance Day Assembly we made a poppy wreath to put on a wooden cross. We watched a clip, "A Poppy is to Remember." I learned how hard it is to fight in war.

Thank you for keeping our country safe and free.

Yours Truly,

Benny
