

Dear Veteran

On Remembrance Day we had a ceremony on Thursday, November 7th in the gym. It was about a girl that did not understand why we have Remembrance Day. The girl that performed in the play was in Grade Nine. The Grade Five class sang, "A Pittance of Time," by Terry Kelly. I enjoyed singing the song with my class. The Grade Three and Four class sang, "What a Wonderful World," by Lois Armstrong. The Grade Seven class sang, "In Flanders Field," by John McCrae. When we had the ceremony in the gym the older students performed in black light, while singing a song to remember the soldiers.

A poppy is to remember the soldiers who fought for freedom. It was many years ago when soldiers fought in World War One. I feel sorry for those who died in war.

Remembrance Day is a very special day because a lot of people died in war. Many young men went to war. Then some of the young men died in war. I heard how scary it would be in war.

Thank you for keeping our country safe and for
fighting in war.

Yours Truly,

Nicklass
