Re: Request for a Professional Recommendation Regarding Miss Michelle Vidotto

From: Ms. JoAnne Cowie, M.Ed.

Acting Principal, Burdett School, Prairie Rose School Division No.8

Michelle has been a teacher in Burdett School for over ten years. During this time she has worked primarily with elementary students. As part of her teaching strategies, Michelle incorporates many different pedagogical styles. The students work in groups often to create projects, share learning opportunities and to review material learned in class. In addition to this, Miss Vidotto uses a Smartboard to teach concepts to her students. She is very proficient in using this technological tool and often assists and mentors other teachers in Burdett School to use the Smartboard. She has presented at Divisional Professional Development days regarding using technology in the classroom and is applauded for her knowledge in this area.

This year Michelle worked tirelessly with the Junior High Student Council as a teacher supervisor. Under her guidance the Council raised money to send to a variety of charitable organizations, planned themed school events, organized whole school assemblies and worked with staff to make the school an enjoyable place to be. The School Council members and the Burdett School staff appreciated her efforts.

It is apparent that Miss Vidotto enjoys teaching, loves her students and wants the very best for the children. She has a good work ethic and tries to be the best teacher she can be!

Sincerely,

Ms. JoAnne Cowie, M. Ed.
